

PRECERTIFICATION

Physicians and health care providers may be required to precertify services with the insurance company. In the event precertification is required, the following sample form may serve as a template. If you need assistance in obtaining precertification for your patient, please complete this form and fax it together with a copy of the patient's insurance card and patient signed precertification authorization to the Pinnacle Health Group at (877) 499-2986.
